Freelance Offline Editor

Phone: (07714) 627 526 – E-Mail: claireberry23@yahoo.co.uk

I am an organised and creative editor with a strong narrative sense and a passion for making Television programmes across a variety of genres. I am extremely motivated with a hard working ethic and a dedication to any project I undertake. I am easy going and have the ability to work well under pressure both on my own and in close collaboration with producers and directors to tight deadlines. I am proficient using Avid and Final Cut Pro and have a good operational and technical working knowledge of both systems. I am always keen to diversify my experience by working on a varied range of output to enhance and further develop my expertise and creative ability.
