**EDITING:**

- Feb- Mar 11 **UNTAMED CHINA**  
2 x 45' Image Impact. Presenter Nigel Marven travels throughout China to reveal the country's diverse and fascinating creatures.
- Aug- Dec 10 **BEAST HUNTER - NIGHTMARE OF THE AMAZON**  
1 x 52' Icon Films for Nat Geo. Pat Spain travels to the Brazilian Amazon on the trail of one of its most compelling creatures of myth- the 'Mapinguari.' It is described as a massive one-eyed beast, with a gaping mouth in its stomach, fierce claws, savage howl and a horrific stench. Through eyewitnesses, scientists and anthropologists he learns that the Mapinguari is a melting pot for many things- ancient myths, mistaken identity and spiritual beliefs. But only when he travels to a remote forest tribe does he find what may be the key to unlock the truth behind the beast of the Amazon.
- BARGAIN HUNT**  
4 x 45' BBC. Presenter Tim Wonnacott hosts the daytime antiques contestant show.
- SECRET DEALERS**
