darren_flaxstone@hotmail.com

I am a Film Editor with a passion for storytelling. I have worked on a diverse range of projects, including natural history, factual and Independent feature dramas.

I love the challenges that TV and film offer, whether I am working on big or small projects and enjoy collaborating with colleagues, old and new.

Although based in Bristol, I am happy to consider edits elsewhere in the UK & abroad.

SELECTED CREDITS

I have selected the following to show the range of projects I have worked on, a fuller list of credits follows (Page 2).
