Documentaries and Factual

CREDITS

Natures Weird Events S4 TX: BBC2

1x60" Chris Packham examines some of the weirdest natural events on the planet. With the help of footage taken by eyewitnesses and news crews, he unravels the facts behind each story.

Director: Jo Stevens, Jody Bourton | Company: Icon Avid

Betty White TX: Country Channel

1x60" Observational Documentary following Betty White as she endeavours to find animals with super intelligence.

Director: Dave Denny | Company: Icon: Premiere

Gorillas 4D TX: Sega Orbi, Japan

1x5" We follow a film crew into the depths of the African forest in search of the mighty Silverback Gorilla. A large family group is found, but the Silverback is not so impressed with all the media coverage and things take a turn for the worse. This takes us into the 4D space with air jets, seat rumbles and leg ticklers to encompass the audience into this frightening encounter. Cut with master footage of 3D and some 2D up-res to 3D for the handy cams.

Director: Jody B | Company: BBC Earth| Avid 3D

The Meerkats TX: Sega Orbi, Japan

1x20" Feature edit. Filmed on the Red Epic in 6K. A film about the trials of a Meerkat family living in the Kalahari. The film is viewed on a 48m screen in Japan that has the capabilities for a 4d adventure with rumbling seats, smell and two standard cinema screens to the rear. A very challenging film to cut as the image is so large that edits have to be carefully timed and crafted.

Director: Laura Coates | Company: BBC Earth| Adobe Premiere

Tigers about the House TX: BBC2

Ep1 of 3x59" Obs doc about Giles a zoo keeper with a difference. He works at the Steve Irwin zoo in Australia where they have a hands on relationship with their Sumatran Tigers. With the birth of two male cubs Spot and Stipe, we follow Giles as he attempts to hand rear them, and that will begin at his home.

Director: Beth Brooks | Company: BBC | Avid

Deadly Pole to Pole TX: CBBC

2x30" The challenges of finding the beluga whales in Somerset Island, and the discovery of the nettle jelly fish off the coast of California. Another 'Deadly' adventure undertaken by Steve Backshall.

Director: Rachael Kinley / Ruth Harries | Company: BBC| FCP

Animal Airport Series 1&2 TX: Discovery

10x30" Observational Documentary following the staff at the Animal Reception Centre at Heathrow Airport.

Director: Nick Head, Owen Gay | Company: Icon| Avid

Deadly Mission Madagascar TX: CBBC

3x30" 8 Deadly junior explorers are off to one of the most unique places in the world, to take on missions and challenges facing the wildlife and landscapes of Madagascar.

Director: Tom Jarvis | Company: BBC | Avid

Hairy Bikers TX: BBC 2

3x60" Series 2, Best of British.

Director: Dan Snee | Company: BBC | Avid

Nigel Slater TX: BBC 1

1x30" Dish of the Day. Making the most of your weekly shop, creating a dish for every day of the week.

Director: Sharon Ryan | Company: BBC | Avid

Naomi's Nightmares of Nature TX: CBBC

1x30" Series 1. Naomi Wilkinson travels the world to come face to face with Nightmares of Nature - animals that seem weird, dangerous or downright scary.

Director: Nikki Waldron | Company: BBC | FCP

Springwatch TX: BBC

Various films for the roving team including Peregrines living inside a chapel in Bath and Pine Martens in Wales.

Directors: Various | Company: BBC | Avid

Camera Trap TX: National Geographic

1x60". A team of investigators are out to discover mysterious crimes and strange activities within the natural world.

Directors: Various | Company: Icon | FCP

Deadly 360 TX: CBBC

4x30" Steve Backshall enters the high-tech Deadly 360 Mission Control to re-create and analyse in forensic detail three thrilling hunts by some of the world's most fearsome predators.

Directors: Wendy Bowden | Company: BBC | FCP

Taking on Tyson TX: Discovery

1x60" Former heavyweight boxing champion Mike Tyson becomes involved in the world of competitive pigeon racing.

Directors: Karen Beland | Company: Touch Productions | FCP

Nick Baker's Weird Creatures 3 TX: Animal Planet

5x60' Wildlife doc series in which naturalist Nick Baker hunts down more of the strangest creatures on the planet.

Directors: Charlotte Jones, Ben Roy | Company: Icon Films | Offline Avid

Eugene Atget & Berenice Abbott – Pioneers of Modern Photography TX: Various

1x60" A discovery on the brief meeting of two of the most influential photographers of our time.

Directors: Michael House | Company: Stand up | Offline FCP
