

I am a hardworking, creative editor with over ten years' experience in the industry. I have worked on a wide variety of projects from broadcast & drama, to film, documentary and live events. I pride myself on my ability to deliver excellent quality results to budget and deadline.

I am highly skilled with all the main editing packages (Avid/Adobe Premiere & Final Cut Pro) & After Effects for animation. I am considered to be a fast and efficient editor and am very passionate about storytelling.

I work well under pressure and am used to working to tight deadlines, turning around projects very quickly. I have a keen eye for detail as well as creative flair - plus a wide technical knowledge (in other words I'm a bit of a geek!)
