

James Sweet Offline Editor Credit Listing 2019

'James has done a great job, he's hard working, talented, creative and has a real ear for music and is a joy to work with – highly recommend him'.
Lorna Copeland - BBC Production Manager

I am a creative Avid, Premiere and Final Cut Editor with extensive experience editing for productions ranging Springwatch, Countryfile to Flog It and corporate promotional films.

I am passionate about music, sound, film and technology which has given me an intuitive feel for rhythm and provided me with visual flair. I have a dedicated work ethic maintaining a high attention to detail.
