"Dominic was the editor on a feature doc I produced called *Another News Story*. He was absolutely amazing - ensuring a film with a lot of diverse and sometimes chaotic footage was weaved together into a compelling film that won awards. He was not only great at editing but also friendly, respectful, collaborative, supportive. I cannot recommend him enough." Verity Wislocki, *Wislocki Films*

18 years experience editing both long and short form. My fiction and documentary feature films for the big screen have won awards and *Another News Story* was shortlisted for best film at the Grierson Awards. I've edited one-hour factual episodes for broadcast TV & SVOD. I've edited theatrical movie trailers and hundreds of sizzles, promos and teasers for development teams. I have an edit setup in London and Bristol with Avid and Premiere Pro. I have a BA in Cultural & Media Studies and an MA in Post Production Editing from Bournemouth.
